### **1 Diocesan Diary 2014**

I have completed work on the 1<sup>st</sup> Draft of the Diocesan Diary for next year and all the clergy will receive copies of it. Once I have received their responses and input I hope to be able to finalise it very early in November.

### **2 Worship Leader Training**

We want to revise and improve the training manual used to train Lay Minsters as worship leaders in the Diocese. If you have any suggestions for changes in the training course or manual please contact Gail Blunden, Letaba Parish, cell 074 8926628, email [gail@mailzone.co.za](mailto:gail@mailzone.co.za). Thank you.

### **3 Diocesan Youth Camp**

We have big plans for youth discipleship in 2014 and beyond. The first steps will be taken at the Diocesan Youth Camp from 5<sup>th</sup> to 7<sup>th</sup> December this year. If you don't yet know about it, please contact Shearsby Mupfudzapake at the Diocesan Centre (015 297 3297) to get more information.

### **4 "Nothing for Mahala"**

One of the biggest needs I have noticed in our communities is for guidance with money – not just giving to God, but how to manage the money we have amidst all the demands of today.

Therefore I commend to you the new material that "Heartlines" has produced. Those who have seen the movie say it is very good! Please see the enclosed pages about it and where you can get a free set for your church. This would be ideal for a teaching series, together with Bible Studies, early in the new year or in Lent.

## **Values & Money 6 week Bible Study**

**This valuable resource is now available from 48 distribution points across South Africa. The resource forms part of the Heartlines Values & Money campaign. The film "Nothing for Mahala" will be shown on SABC TV along with numerous talk shows, newspaper & magazine articles, in February 2014 making February an ideal time for churches to run with the Bible study and to preach sermons on the subject. DVD with scenes from the film included in the study. 1<sup>st</sup> copy FREE. Further copies R20. Churches are encouraged to make further copies.**
